

SIIA ENDEAVORS

Tim Walberg

UPCOMING SIIA EVENTS

SIIA ENGAGEMENT SERIES

Join us on Thursday, September 10th at 3:00PM EDT for the next event in SIIA's Congressional Town Hall Series, featuring U.S. Congressman Tim Walberg (R-MI-07).

As a member of the House Committees on Education & Labor and Energy & Commerce, Congressman Walberg will discuss and interact with SIIA members on health, tax and other top of mind policy issues, including the upcoming 2020 election.

This event will be exclusively hosted as a live video conferencing call, providing you with the opportunity to engage directly with the Congressman.

Registration Fees:

SIIA Member - Free

Non-Member - \$125

If you have any questions, please contact djackson@siia.org.

Please note participation for this webinar will be limited so register for it right away if you want to listen live. For membership information, please contact Jennifer Ivy at jjivy@siia.org.

SIIA VIRTUAL NATIONAL EDUCATIONAL CONFERENCE & EXPO

SIIA Virtual National Educational Conference & Expo will be live soon and plans are well underway to provide participants with valuable educational and connection opportunities.

Scheduled for October 12-15, 2020, the world's largest self-insurance event has extended its reach even further with the new format, which will allow industry professionals to experience SIIA from wherever they are.

With nearly 50 educational sessions planned – several live with an interactive format and others available on-demand – this will be the largest collection of self-insurance educational content ever offered as part of a single event.

With registration fees now as low as \$395 and zero travel cost, this event is a truly unique opportunity for organizations to involve multiple team members who would benefit by staying current with the latest industry information and developments.

The event will also feature a virtual exhibit hall with more than 100 companies showcasing their products and services. The SIIA platform is extremely user friendly with significant functionality designed to easily connect attendees with exhibitors.

For information about how your company can participate as an exhibitor or sponsor, please contact Justin Miller at jmiller@siia.org.

Rounding out the conference will be multiple opportunities for attendees to connect and engage with each other, both in group and in private settings. While there is no substitute to “being there,” SIIA is creating the next best thing. These details will be previewed closer to the date.

Complete event details can be accessed on-line at www.siiaconferences.org or by calling (800) 851-7789.

We look forward to sharing this unique SIIA experience with you soon. ■
