

# SIIA ENDEAVORS

**SIIA'S FUTURE LEADERS FORUM IS APRIL 11-12 AT THE WESTIN INDIANAPOLIS.**

The Forum is the only event in the self-insurance industry dedicated to connecting the next generation of executives and thought leaders. With content designed by members of SIIA's Future Leaders Committee, attendees (ages 40 and under) will engage across topics that impact today and tomorrow's self-insured marketplace.

With plenty of networking opportunities, attendees can engage with peers to develop professional relationships, discuss their own industry insights and begin building the groundwork for ideas that will influence the future of the self-insurance industry.

**NETWORKING AND PROGRAM HIGHLIGHTS INCLUDE:**

**SIPAC EVENT: TAKE ME OUT TO THE BALL GAME (OPTIONAL OFF-SITE EVENT)**

Join other attendees for a baseball game outing that will serve as a fund-raiser benefiting the Self-Insurance Political Action Committee (SIPAC). The minor Indianapolis Indians will be playing right next door to the hotel and SIIA has reserved a block of seats. Separate registration is required along with a small personal contribution to SIPAC, which is the political advocacy arm for SIIA.

**MILLENNIAL VS. GENX - A TALE OF OF TWO HIRING MANAGERS**

Impressing the hiring manager is obviously critical to getting the job you want. And while there are certain preferences unique to each hiring manager, there are likely some commonalities based on their age. This session will feature a “Millennial” executive and a “GenX” executive who regularly interview and hire younger executives will participate in a moderated discussion focused on identifying their approaches to the interview process and their views on the most important candidate considerations.

**THE MINDFULNESS EDGE FOR FUTURE C-LEVEL EXECUTIVES**

Mindfulness has increasingly become a focus for many people who want to lower stress levels and improve their overall quality of life, but there are additional benefits that are of particular importance to those in the business world

with leading executives reporting that it enables them to reduce fatigue, handle trigger moments more easily and increases creativity. Younger executives who want to position themselves for C-Suite opportunities need every productivity tool they can get. Join us for this session where you will learn how to add mindfulness to your career toolbox.

**DEFENDING OUR INDUSTRY – CALL TO ACTION FOR YOUNGER MEMBERS**

Self-insured health plans and captive insurance companies are subject to regulation at the federal and/or state level and there is ongoing concern that future legislative/regulatory developments could adversely our industry. SIIA has been very successful in defending our industry over many years thanks in part to its members have actively involved with its advocacy efforts. The time is now come to mobilize a new generation of members to take the lead. This session will serve as a call to action and educate attendees on why their involvement matters and how they can plug into SIIA’s current and future political advocacy programs.
